

MUSIC CAMP ~ Arcadia High School Style

Our 53rd year brings a big change! Due to the earlier opening of school, we'll bus to the mountains of Idyllwild on **Friday, August 20th through Wednesday, August 25th**. This is after Apache Days (August 17th – 19th) and prior to the first day of class, the 26th.

At a large school such as AHS, every student needs to find their niche--a quality place to belong. The Music Program is just that place for over 900 students who blend together as a whole, with sectionals and small groups of friends within. The dynamic beginning of the year is at Music Camp. It is essential for achieving our highest potential as individuals and as a group. Every member of Orchestra should attend Music Camp the week prior to the opening of school. This is the only time during the season intense sectional training is available from numerous top music instructors who work individually with small groups. Music sessions are held from 8:00 a.m. to 11:45 a.m. and 1:00 p.m. to 2:30 p.m. along with early evening drills and activities to complete the comprehensive daily training. Our own directors coordinate the program, hold combined sectionals, and total groups drills. From 8:00 to 9:30 p.m. the student leadership plans group activities to help all get better acquainted while having a great time. It's a perfect start to the school year—with skills, team-building, new and renewed friends.

Music Camp is intense musically, but not really camping. Indoor beds, hot showers, and hot meals are enjoyed at the 5,000-foot site in the San Jacinto Mountains overlooking Palm Springs. There are breaks and free time to swim, play basketball, ping pong, cards or sit under a tree. All are involved in evening games and activities planned by the students to get everyone acquainted and having a great time. Team skills are developed--essential for working in groups throughout life. After being at camp for a few hours, you will have many new friends. By the time school starts, you are not a stranger. When you arrive for your first class at Arcadia High School, you will have 600 new friends to greet.

On Visitors' Day, Sunday, August 22nd, parents, alumni, and friends are encouraged to be a part of the experience. See the attached Visitors' Day schedule.

The total cost of instruction, transportation, lodging, and meals is \$350 per student—a real bargain compared to any other such camp. This can be made in one payment or installments. If financial assistance is needed, contact the camp coordinator now.

Register today! Cabin assignments are made in the order of completed registration. We ask that you register by June 1st so the music directors can plan the exact number of instructors needed and section leaders can plan their pre-camp activities. Around August 1st, a packing list and more detailed directions will be posted at www.arcadiamusic.org. These will no longer be mailed to homes.

Check the web site for information on leaving for and returning from camp. Due to construction on campus and the proximity to the opening of school, changes from past procedures will need to be made.

Parent Involvement

is an essential aspect of a successful program.

When parents participate, all benefit.

Do yourself, your child, and the music program a favor--get involved.

Music Camp needs chaperones and a nurse

who accompany the students August 20th through August 25th.

Since the program is so large, over 600 students expected, we use two campuses.

We need chaperones and a nurse/health aide at both sites.

There is no cost for chaperones.

Most of our previous chaperones have "graduated" with their students.

There is a real need for new chaperones.

It is a large camp. Chaperones do not share rooms with their own child.

Your child will have ample independence, but know you care enough to be there helping.

For additional information call:

Doug Failing, Orchestra Camp Coordinator 574-1135

Other needs: help loading / unloading luggage; drive luggage truck

Cabin Mate Selection

This form is designed to give students the opportunity to identify those with whom they wish to share a cabin at Music Camp. We will make every effort to accommodate the requests, but we need to follow certain criteria for organizing the cabins.

All cabins must be balanced in:

Total number

Number of freshmen, sophomore, junior, and senior students.

Number of new and experienced campers.

For these reasons, we cannot guarantee cabin mate preferences and we will not change any cabin assignments. If you have no preferences, you do not need to return this form.

Requests are addressed in the order in which they are received with completed registration forms and total or first payment. Assignments will be posted the day of departure.
