

## 2010 Music Camp: Camper Status

Since Music Camp packing lists are being posted on the ArcadiaMusic.org website and not mailed home, campers can no longer assume that their registration has been received when they receive the packing list. Therefore, we are posting this list of students who have turned in their registration forms for Music Camp. Being on the list does not indicate full or partial payments made or due. In some cases, payment has not yet been made. It is the camper's responsibility to make payments.
