

Apache Days – Music Information

Apache Days are coming soon and we will be implementing some new procedures to help make the process run more smoothly.

What's New:

1. Music Forms can be found on the Arcadia Music Club Website. (www.arcadiamusic.org)
2. You'll need to download the "Emergency Contact Information", print it and bring it filled out and signed to Apache Days.
3. You'll also need to download and print the "Student Code of Ethics Form from the AHS Athletics Webpage (<http://athletics.ausd.net/images/Forms/athletic%20clearance.pdf>). This form is required by the school and must be signed and turned in at Apaches Days.
4. Every Instrumental Music Student and Color Guard Member ***must*** stop at the Music table at Apache Days and be cleared for registration.

What's the Same:

- **Families are encouraged to join the Arcadia Music Club.** The Music Club provides additional financial support to help ensure a quality instrumental music program at Arcadia High School. The fund raisers by the Arcadia Music Club each year pay for equipment and needs of the Band, Orchestra, Percussion and Color Guard.
- **Transportation Cost - \$110 (check payable to Arcadia High School)** We are all fortunate to be in groups that perform and compete at some great locations. Getting everyone there takes buses and they cost money. With the ever higher fuel costs, buses are becoming more and more expensive. Your contribution to the transportation fund helps make ***all*** performances possible.
- **ASB Card (\$110 ASB and Yearbook, \$55 ASB without yearbook, payable to Arcadia HS).** Did you know that the Band, Orchestra, Percussion and Color Guard get a percentage of the ASB Card payment? The money goes straight to these groups to help offset the cost of trucks, sound equipment, competition fees, competition floors and more! That means less fundraising!!!! We are expecting 100% participation.
- **Instrument Use Donation (\$80, payable to Arcadia Unified School District)** If you are using a school/district owned instrument, we request you pay the Instrument Use Donation. This money goes the repair of older instruments and purchase of new instruments and supplies. Students using the following school/district supplied instruments are request to pay the donation: viola, cello, string bass, tenor and baritone saxophone, trombone, baritone, french horn, tuba or sousaphone, bass clarinet, oboe, bassoon and percussion.

We look forward to a great year!!

Your Directors
