

ARCADIA HIGH SCHOOL'S 51st ANNUAL MUSIC CAMP

When: Sunday, August 24th through Friday, August 29th.
Where: Idyllwild Pines and Camp Maranatha; Idyllwild, California
How: Transportation by bus from Arcadia High School
Who: Every Arcadia High School Band and Color Guard member

At a large school such as AHS, every student needs to find their niche; a quality place to belong. The Music Program is just that place for over 900 students who blend with the total band, various levels of band, small sectionals, and other groups of friends. The dynamic beginning is Music Camp--the most valuable activity that a band member can choose. For real pride, we need to achieve the highest level of success possible; that depends on everyone reaching his or her greatest potential. It is essential to the individual members and the total band that all are at camp. This is the only time during the season intense sectional training is available from 25 top music instructors who work individually with each section. Music sessions are held from 8:00 to 11:45 a.m. and 1:00 to 2:30 p.m. along with 6:00-7:30 p.m. marching practice to complete the comprehensive daily training. Our own directors coordinate the program, hold combined sectionals, and total group drills. Without this intense training we could never be ready to compete—such training and more is required by all our competitors. If a student missed camp he/she would be at a tremendous personal disadvantage and place a burden on section leaders and others who would then have to work to bring them along. Camp is the perfect start to the school year—required skills, teambuilding, new and renewed friends.

Music Camp is intense musically, but not really camping. Indoor beds, hot showers, and hot meals are enjoyed at the 5,000 foot site in the San Jacinto Mountains overlooking Palm Springs. There are breaks and free time to swim, play basketball, ping pong, cards, or sit under a tree. Evening games and activities, planned by the students, get everyone acquainted and having a great time. All develop team skills essential in working in large groups. After being at camp for a few hours, you will have many new friends. By the time school starts, you belong. When you arrive for your first class at Arcadia High School, Marching Band, you will have 600 new friends to greet.

On Visitors' Day, Wednesday, August 27th, parents, alumni, and friends are encouraged to be a part of the experience. See the attached Visitors' Day schedule.

The total cost of instruction, transportation, lodging, and meals is \$300 per student—by far the least expensive camp of its type. This can be made in one payment or installments. If financial assistance is needed, contact the camp coordinator now. (See back)

Register today! Cabin assignments are made in the order of completed registration. We ask that you register by June 1st so the music directors can accurately plan the exact number of instructors needed and section leaders can plan their pre-camp activities. A packing list and more detailed directions will be mailed to registrants in mid-August. It will also be posted at www.arcadiamusic.org.

Parent Involvement

is an essential aspect of a successful program.

When parents participate, all benefit.

Do yourself, your child, and the music program a favor--get involved.

Music Camp needs Chaperones and a Nurse

who accompany the students August 24th through August 29th.

Since the program is so large, over 600 students expected, we use two campuses.

We need chaperones and a nurse/health aide at both sites.

There is no cost for chaperones.

Most of our previous chaperones have "graduated" with their students.

There is a real need for new chaperones.

It is a large camp, over 60 acres. Chaperones do not share rooms with their own child. Your child will have ample independence, but know you care enough to be there helping.

Arcadia Music Camp
Cabin Mate Selection

This form is designed to give students the opportunity to identify those with whom they wish to share a cabin at Music Camp. We will make every effort to accommodate the requests, but we need to follow certain criteria for organizing the cabins.

All cabins must be balanced in:

- Total number
- Number of freshmen, sophomore, junior, and senior students.
- Number of new and experienced campers.

For these reasons, we cannot guarantee cabin mate preferences and we will not change any cabin assignments. If you have no preferences, you do not need to return this form.

Requests are addressed in the order in which they are received with completed registration forms and total or first payment. Assignments will be posted the day of departure.
