End of year comments

The end of a very exciting and satisfying year is just a few weeks away. Still to be accomplished are the Concert in

in general. With your continued support, our Music Program will continue to meet the needs of hundreds of students and maintain the level of performance Arcadia High School's Apache Marching Band has known for over 50 years.

the Park, Drum Major Tryouts, and Officer Elections. I want to thank every student for the hard work that has made possible some outstanding performances. Thanks also to the dedicated parents who loaded luggage in the rain, papered seat in the cold, rode buses to more places than you ever thought possible, and for being there when students needed you most.

Looking forward to next year, there are some important events to make sure are marked on your calendar. We will be putting a new activity into our summer calendar. Arrangements are being made for every section to meet weekly, with an instructor for each instrument, from the end of June to the middle of August. These rehearsals will be held in the Music Building. You will be contacted by your section leader as to the day and time of your specific rehearsal. All new students to the marching band are required to attend "New Marchers Camp" from August 22 -25, 9:00a.m. to noon. Report to the Band Room. "Music Camp" is a must for every Marching Band member. Camp runs from August 28th through September 2nd. If you have not received an application by June 1st, pick one up from the Band Room.

I hope this year has been as good for you personally as it has been for the program
